WELCOME TO VENN BAR

The opportunity to explore relationships, celebrate differences, and share a common love of outstanding dining was the inspiration for the Venn Bar.

Our beachside eatery puts you at the intersection of sun, sand, and surf, a breathtaking alfresco setting where salty sea breezes perfectly season every meal. Like all spaces at Max Beach Resort, it is designed for our guests to meet, mingle, celebrate and share - ideas, dreams, and exceptional food.

The menu at Venn Bar is a showcase of southern favorites, with simplicity, whimsy, and nostalgia deliciously converging under the skilled direction of Executive Chef Paul Dircks. Discover new favorites with close family and friends. Forge new relationships over perfectly prepared dishes with flavor and flair.

So, enjoy the sun, surf, and shared interests.
